

Scholarships for 1st and 2nd Year Surveying Students

The Montana Association of Registered Land Surveyors (MARLS) Scholarship Foundation has scholarship funds available for students who have graduated or are anticipating graduating from a Montana High School and are interested in pursuing an education in surveying at a Montana institution; and for students entering the 2nd year of a 2 year surveying curriculum or the 3rd year of a 4 year curriculum with a surveying emphasis.

1st Year Students: A number of scholarships of up to \$1,000 will be awarded for the 2009-2010 school year to students entering a curriculum which is recognized by the Montana Board of Professional Engineers and Land Surveyors as meeting the requirements for a person to eventually become a Licensed Professional Land Surveyor. The currently recognized programs are those at Flathead Valley Community College and Montana State University - Bozeman.

1st Year Students: A number of scholarships of up to \$700 may be awarded for the 2009-2010 school year to students entering a curriculum which will provide a surveying technician level of education. A number of Montana community colleges and branches of State of Montana Universities offer surveying programs.

2nd Year Students: A number of scholarships of up to \$2,000 will be awarded for the 2009-2010 school year to students entering the 2nd year of a 2 year surveying curriculum or the 3rd year of a 4 year surveying focused curriculum approved by the Board of Directors (BOD) of MARLS. At the time of applying for scholarship funds, the applicant must be at a minimum in the 2nd semester of a 2 year surveying program or the 4th semester of a four year program.

Application: Scholarship awards will be determined based on a combination of academic achievement, financial need, work history, course of study, and a submitted essay. To apply for scholarship funds please supply the following information in a neat and orderly format (It is important for you to recognize that the Foundation takes into consideration how well the requested information is presented).
