

MARLS 2023 Conference Exhibitor Registration

February 15 – 17, 2023

Heritage Inn, 1700 Fox Farm Road, Great Falls, MT 59404

Pre-Conference Seminar - February 15, 2023

Conference - February 16 - 17, 2023

Hosted by MARLS Northwest Chapter

January 3, 2023

Greetings Prospective Exhibitor,

Happy New Year!

On behalf of the Northwest Chapter of the Montana Association of Registered Land Surveyors (MARLS) we invite you to join us at the 2023 MARLS conference being held February 15 - 17, 2023 at the Heritage Inn, 1700 Fox Farm Road, Great Falls, Montana. We will begin the conference on Wednesday, February 15, 2023 with a full day pre-conference seminars presented by Dennis Mouland (8 hr.) and Carlson Software – Jim Reinbold - Carlson Survey Fundamentals - 8 hrs. (multi-sessions to choose from). Thursday (16th) and Friday (17th) will be multi-sessions of 2 to 4 hours each. Included on Thursday is our MARLS annual General Membership meeting at noon. The spouse program will run from February 15th – 17th.

We are also providing breaks during each seminar to allow attendees more time to converse with our exhibitors. On Thursday, February 16th, the evening conference activities will commence with an exhibitor's reception followed by our annual MARLS banquet, MARLS awards ceremony, installation of 2023 MARLS officers, and the MARLS Scholarship Foundation's annual scholarship live auction, silent auction, and games. We hope this is a fun filled event that everyone enjoys while supporting their worthy cause. MSF auction donation sheets are included in this packet. We look forward to seeing you at this coming year's conference.

While the conference itself is a very rewarding and educational experience for attending members, one of the most important aspects of the conference is the correspondence that takes place between member surveyors and the equipment and service providers that keep everyone updated with the newest technologies available to our profession.

Spaces are available for a fee of \$575 per 10x10 booth space (all conference meals included for exhibitors - 1 per booth). There is a discount for reserving 2 or more booths. See registration sheet. We have scheduled many breaks and workshops with exhibitors throughout the conference. Each table provided would be appropriately skirted and electrical power access will be provided upon request. Overnight storage for equipment will be available in one room that will be locked nightly, for your convenience. Please fill out and return the attached application form with payment to reserve your exhibitor space today.

An important contribution that you as an invited exhibitor or invited contributor, but not able to attend, is the sponsorship of one or more conference events. The hosted event will include a posted display advertising the host's name & company and acknowledged on our website. A listing of hosted events is included on the attached exhibitor registration form.

Contact the hotel for arrangements to deliver your equipment ahead of time. If you need to ship your equipment, please contact the hotel for shipping arrangements. We prefer you to setup your booth on Tuesday evening, February 14th as the Pre-conference seminar begins at 8 am on February 15th and conference registration will begin Tuesday, February 14th at 4pm thus giving exhibitors more time to spend with the attendees. Booth take down can begin Friday afternoon. The exhibitor hall will be open at 4pm on the 14th of February for our members to visit with you all.

SLEEPING ROOM RESERVATIONS:

Hosting Hotel is the Heritage Inn, 1700 Fox Farm Road, Great Falls, MT 59404

MARLS 2023 Conference
February 15 - 17, 2023
Heritage Inn, Great Falls, MT

Exhibit Show Rules and Regulations
Sign and return

These rules and regulations governing the exhibits under the auspices of the Montana Association of Registered Land Surveyors 2023 Conference are a part of the agreement for space.

Preference for booth location will be based upon the date and time the application was received by MARLS.

Use of Space: Exhibitor's shall arrange their exhibits so that they do not obstruct other exhibits. All aisles and the fire doors must be kept clear. Exhibits should be arranged so attendants are within the assigned space. All materials used for decorations, i.e., paper, cardboard, cloth, etc. shall be a flame-retardant type.

Noise: Public address, sound producing, or amplifying devices which project sound in an annoying manner beyond the exhibitor's booth are prohibited.

Liability: Neither the Montana Association of Registered Land Surveyors, Inc. or the Heritage Inn, Great Falls, Montana, nor any member of the above named will be responsible for any injury, loss, or damage that may occur from any cause whatsoever. The exhibitor, upon signing the booth contract, expressly releases the aforementioned from any and all claims for such loss, damage, or injury.

Security: The Exhibitor Area will be monitored by hotel security during times when exhibits are not being shown and all reasonable precautions will be taken to protect exhibitor's property. MARLS will provide a lockup room to store exhibitor items upon request overnight throughout the conference. (Close to the exhibitor sites)

Cancellations: In the event an exhibitor finds it necessary to cancel his participation in the exhibit program, refunds will be made as follows: Cancellations prior to February 1, 2023 will receive a full refund. Any requested cancellations on or after February 1, 2023 will not receive a refund unless the space is resold.

Regulations: These regulations become a part of the contract between the MARLS conference exhibitor and the Montana Association of Registered Land Surveyors. They have been formulated in the best interest of the exhibitor. MARLS ask full cooperation of the exhibitors in their observance.

Additional Services: Any additional tables, chairs, decorations, or power requirements by the exhibitors will be arranged by the exhibitor and at the exhibitor's expense.

MARLS Scholarship Foundation's Annual Scholarship Auction and Fundraiser
MARLS Conference February 15 - 17, 2023
Auction held on February 16, 2023 (following the banquet)
Heritage Inn, Great Falls, MT

The Montana Association of Registered Land Surveyors, (MARLS), is a statewide non-profit association whose membership includes Professional Land Surveyors from across Montana, the surrounding states, and Canada. The MARLS Scholarship Foundation, (MSF), was created to raise money for student scholarships and awards. MSF has been approved by the Internal Revenue Service as a 501 (C) (3) entity. Each year MARLS holds a fundraiser in conjunction with the annual MARLS Conference to provide funds for MSF. This is the main fundraising event for the MARLS Scholarship Foundation.

The MARLS 2023 Conference will be held at the Heritage Inn, Great Falls, Montana on February 15 - 17, 2023. The MSF fundraiser consists of games, raffles, a silent auction, and a live auction throughout the Thursday night banquet evening. Among the many attendees, bidders at the auction include licensed surveyors, exhibitors, seminar presenters, spouses, students, guests, and surveyors in training. This fundraiser is always one of the highlights of the conference.

The Scholarship Foundation distributes various types of scholarships and awards to eligible students.

1st Year Scholarships are available to students entering a curriculum recognized by the Montana Board of Professional Engineers and Land Surveyors as meeting the requirements for a person to eventually become a Licensed Professional Surveyor.

2nd Year Scholarships are available to students entering the 2nd year of a 2-year surveying curriculum or the 3rd year of a 4-year surveying focused curriculum.

Trig-Star Scholarships and Awards are available to Montana High School students who participate in the Trig-Star Program. The Trig-Star Program is a national mathematics competition held annually to test students' practical application of Trigonometry. There is no requirement on the Trig-Star Scholarship recipients to enter a surveying-focused curriculum.

In the past many years, MSF has awarded over \$200,000 in scholarships and awards to students across Montana. This has been made possible by generous donations to the scholarship auction and fundraiser. The MARLS Scholarship Foundation continues fundraising efforts to maintain support of students continuing their education in surveying.

In 2011, MSF created the MSF Surveyor Assistance Fund. This fund is dedicated to helping our surveyors and their families in times of crisis. This is also a choice to check to donate your item submitted for the auction.

We would like to ask you to donate an item to these worthwhile causes. The donated item does not need to be surveying related.

Thank you for your participation in the MSF annual scholarship auction and fundraiser, your support is appreciated.

William Weikel

A handwritten signature in blue ink, appearing to read "William Weikel".
